SPONSORSHIP & PARTNERSHIP PACKAGE

An Invitation to Partner in Impact

We are pleased to invite you to be part of the TCETSA Annual Networking Golf Tournament - a welcoming and engaging day where meaningful relationships are built, stories are shared, and new partnerships take shape.

This tournament brings together Indigenous business leaders, Nation leadership, community partners, and industry decision-makers in a relaxed environment that encourages authentic connection beyond meetings, emails, and formal events. It's an opportunity to spend time together, build trust, and strengthen the relationships that support thriving communities and businesses.

Most importantly, your sponsorship directly supports economic reconciliation and Indigenous workforce development, helping TCETSA invest in programs that create long-term opportunities for Indigenous individuals, families, and communities.

We would be honoured to have your organization join us - not only as a sponsor, but as a partner in creating meaningful impact.

● WHY PARTNER WITH TCETSA?

By sponsoring this tournament, your organization will:

- Demonstrate a commitment to economic reconciliation and Indigenous workforce advancement
- Align your brand with leadership, community impact, and positive change
- Gain visibility among business leaders, industry partners, and community stakeholders
- Support training initiatives, employment pathways, and sustainable economic growth
- Be recognized as an organization that invests in people, opportunity, and shared prosperity

The success of this tournament depends on the generosity and support of our sponsors. Your partnership helps us continue delivering programs that strengthen Indigenous participation in the workforce and contribute to a resilient local economy.
